President, MSI takes pleasure to announce that a MOU has been signed with VMA with the effect from 1st January, 2012

**OBJECTIVES OF COOPERATION.**

- VMA is very young and little of experiences on activities, so that VMA would like to learn MSI’s experiences on society activities.
- To exchange information between two offices on metrology activities
- Be able to participate in international seminars or training course on metrology organized in India or Vietnam
- Be able to visit each other office
- Be able to organize inter-comparison between laboratories or Institutes
